Description

This durable, high-density polypropylene (HDPE) two-wheel rolling cart is designed for curbside collection of waste & recycling with ease. Designed for trucks with automated grabbers with built-in texture on corners for traction, material flexibility, and reinforced wall thickness in critical wear areas.

ANSI Z245.30 and ANSI Z245.60 approved.
ISO 9001 certified.
110 unit minimum order quantity.

Available Options:

- custom hot stamping on lid and body
- in-mold labeling (IML) on lid
- available in an array of standard colors (after meeting minimum quantity threshold)

Features
